

# Becoming a “Green Community”

**Date: February 24, 2011**

**Time: 7:00 PM**

**Large Activity Room**

**Bangs Community Center**

**Boltwood Walk**

Find out what it takes to become a “Green Community”. Jim Barry of the Massachusetts Department of Energy Resources will explain the criteria Amherst must meet in order to receive this designation. Extra time will be given for an explanation of the stretch code requirement and for questions and answers from the audience. Town Meeting members are especially encouraged to attend.

The event is free and open to all.
